

## **2017-2018 Nursing Learning Community (NLC) Application Questions**

The Living-Learning Communities (LLC) application opens in February. We recommend preparing your answers to the questions below before logging in to submit your NLC application.

By submitting your NLC application, you pledge that, in accordance with Florida State University's Academic Honor System, your application essays are your own work.

Please respond to all three prompts and limit your entire response to 600 words or less.

1. If you have chosen a major, what led you to this choice? If you have not yet chosen a major, which majors appeal to you and why?
2. What was your favorite high school class and why? What was your least favorite high school class and why?
3. Please provide an email address and a phone number.
  - If you are selected as an alternate for any LLC, we may need to contact you very quickly by email or phone when a space becomes available. If you are invited by email or phone, you must accept promptly or forfeit your invitation.
