TITLE: PROGRESSION IN UNDERGRADUATE PROGRAM

POLICY: A student must achieve a 75% or Satisfactory (S) grades in all nursing (elective and required) courses. Any required nursing course in which a grade below 75% (including "U") is earned must be repeated.

RATIONALE: The nursing curriculum is sequenced to facilitate student learning and allow for the development of cumulative knowledge and competence. The ability to accommodate out-of-sequence students may be impacted by space availability.

PROCEDURE:

1. Any student who fails to achieve a 75% or satisfactory in a single nursing course should meet with the Assistant Dean of Undergraduate Programs in the College of Nursing for assistance in developing an individualized plan of study for progression.
2. The student who is not enrolled for 2 consecutive semesters will be required to re-enroll in the University.
