FLORIDA STATE UNIVERSITY
COLLEGE OF NURSING

TITLE: READMISSION TO UNDERGRADUATE PROGRAM

POLICY: All considerations for readmission/repeating and for progression after readmission are based upon space availability.

A student may be considered for readmission only once during an academic year unless relevant new or unrevealed data are available.

RATIONALE: The nursing curriculum is sequenced to facilitate student learning and allow for the development of cumulative knowledge and competence. The ability to accommodate out-of-sequence students is restricted in a limited access program.

PROCEDURE:

1. Students must write a letter to the Assistant Dean for Undergraduate Programs requesting consideration for readmission. The letter must be submitted by February 1 for readmission in Fall semester and by September 1 for readmission in Spring semester.

2. Request for readmission to the College of Nursing will be considered for a student who:
   a. Withdrew from the College of Nursing in good standing with the College.
   b. Meets current admission criteria.

Requests for readmission will be reviewed by the Undergraduate Admission and Graduation Committee and the College of Nursing Administration. The student will receive a letter informing them of the decision.
