Florida State University offers a one-year program for those with a previous bachelor’s degree in any area of study. A separate application to the College of Nursing is required for admission to the Accelerated Nursing Program (ABSN) and is due July 15th prior to the following Spring semester admission.

Applicants must satisfy the following admission requirements PRIOR to entering the ABSN Program:

1. Complete a baccalaureate level degree (or higher) from a regionally accredited college or university.
2. Achieve at least a 3.2 (on a 4.0 scale) cumulative GPA on all college work attempted.
3. Achieve at least a 3.0 GPA on all required science courses (indicated below with an *).
4. Meet the Florida State University admission requirements for second degree seeking students. For more information, please see admissions.fsu.edu or call the Office of Admissions at 850-644-6200.
5. Complete the Florida State University Application for Undergraduate Admission as a transfer student for 2nd Bachelors.
6. Complete the College of Nursing Accelerated Track BSN Application at nursing.fsu.edu open May 15-July 15.
7. Submit a current resume.
8. Complete the following prerequisite courses with a ‘B-’ or higher by the end of the summer term for admission the following spring. Only one prerequisite course can be repeated/one time. No credits by exam (AP/IB, etc.) will be accepted for science courses. Prerequisite science courses must be completed in the last 10 years. These prerequisites must be completed at the time of application with no more than 2 pre-requisites in process in Summer of application (lecture and lab count as 1).
