

## Adult Gerontology Acute Care Nurse Practitioner BSN to DNP

A total of 77 semester hours and 1080 clinical hours

This major is designed to prepare nurses for the highest level of clinical practice in the profession of nursing as an Adult Gerontology Acute Care Nurse Practitioner (AGACNP). This new major includes a total of 77 semester hours of post baccalaureate study and 1080 clinical hours. This major is designed in accordance with the AACN Essentials of Doctoral Education for Advanced Practice Nursing, the NONPF Core Competencies, and Population Focus Nurse Practitioner Competencies (2013). Upon successful completion of this major, graduates will be eligible to sit for the AGACNP certification exam and be awarded the DNP degree.
